

🍃 Invigorating Scrub

Leaving your skin feeling soft and smooth, Invigorating Scrub exfoliates and moisturizes skin while promoting an even skin tone and reducing age spots.

Part Number: 37050001

Size: 2.5 oz

Wholesale: \$22.00

Retail: \$24.00

PV: 18

Primary Benefits

- Gentle yet exfoliating action comes from tiny jojoba beads, which first exfoliate the skin and then dissolve to provide unique moisturization properties to the skin
- Contains a polyphenol-rich brown and red algae extract shown to promote a reduction in the appearance of brown (age) spots, resulting in more even skin tone and clarity

Ingredients

Aqua (Water), Sodium Lauroamphoacetate, Hydrogenated Jojoba Oil, PEG-40 Hydrogenated Castor Oil, Carageenan, Sodium

Description

doTERRA Essential Skin Care Invigorating Scrub provides a rejuvenating and aromatic experience with CPTG Certified Pure Therapeutic Grade® essential oils of Grapefruit and Peppermint. This exfoliating scrub combines jojoba beads and cruciferous vegetable extracts to leave skin looking soft and smooth, while other cutting-edge ingredients work to improve skin tone and clarity.

Uses

Massage moderate amount over wet skin for 15–30 seconds. For additional moisturizing effect, massage for one minute. Rinse with warm water. Use two to three times per week as needed
